

Electronics Recycling Collection Sites

Pennsylvania's "Covered Device Recycling Act" (Act 108) prohibits the acceptance of "covered devices" including televisions, desktop and laptop computers, computer monitors and computer peripherals at all Pennsylvania solid waste disposal facilities and also prohibits residents from placing them at the curb for waste pick-up. As of January 24, 2013, these devices will not be accepted at the York County Resource Recovery Center.

The York County Solid Waste Authority accepts "covered devices" and other electronic devices listed below at its Electronics Recycling Collection the third Saturday of every month from 9 AM to 1 PM. Ten York County municipalities also collect these items in satellite programs. Best Buy's York store located at 2865 Concord Road also accepts a variety of electronics for free. Call 717-840-4530 for more details.

Recycle these devices with YCSWA's Electronics Recycling Collections:

Answering machine	Hard drive	Radio
Cell phone	Keyboard	Remote control
